MAYORAL CANDIDATES' FORUM

"How will our next Mayor work with the Houston community to ensure that adequate and accessible health and human services programs are available in the City of Houston?"

One Voice and the Coalition for the Homeless of Houston/Harris County invite you to participate in a meaningful forum that will ask candidates for Mayor of Houston to respond to issues impacting health and human services in our community. The forum will help inform Mayoral candidates of the issues and concerns of community advocates regarding the complex and critical health and human services needs of Houstonians.
